General information

Article number : 12058255 Pheeb's 450 g/m² recycled cotton and polyester duffel bag 24L

Description : Duffel bag made of a recycled cotton and polyester blend, with an adjustable shoulder strap. Recycled cotton is manufactured from pre-consumer waste generated by textile factories during the cutting process. Similar colours are blended together so no additional dyeing is required. Due to the nature of recycled cotton, there may be a slight colour variation. This feature distinctly adds to a more authentic appearance. 60% Recycled cotton and 40% Recycled Polyester, 450 g/m².
