## General information

Article number	: 12432890 ADAPT 25W recycled plastic PD travel charger	
Description	: The ADAPT recycled plastic PD travel charger is a compact and environmentally	
	friendly charging solution designed to keep you powered up in style while on the	
	go. With its recycled plastic housing and copper and nickel plated components,	
	this charger offers both durability and sustainability. The charger comes with	

US, EU and UK plusg, allowing you to use it in various regions with ease. The built-in transformer ensures seamless power conversion for international travel (AC 100-240V 50/60Hz). This travel charger comes with 2 ports (Type-C and USB A) that offer versatile and superfast charging options, and the PPS (Programmable Power Supply) feature allows for adaptive charging.
