## General information

Article number : 1Z42000D Rotate Metallic  
Description : Having all files close at hand and increasing brand awareness is simple with the Rotate Metallic USB flash drive. The plastic flash drive features a 360-degree rotating aluminium body, allowing the USB flash drive to easily be rotated open and close and keeping dirt out of the USB port. In addition, the 'tone on tone' metallic finish makes the USB flash drive look extra eye-catching. The hook on the casing allows the user to attach a keychain (not included). This USB flash drive is available in a wide range of capacities, sizes, and colours. Plastic, Aluminium.
