General information

Article number : 37536550 Epidote men's GRS recycled insulated down bodywarmer

Description : The Epidote men's GRS recycled insulated bodywarmer – a sustainable and stylish outerwear choice for environmentally-conscious adventurers. Crafted with precision and care, this bodywarmer is fully GRS certified, making it a more sustainable addition to your wardrobe. Designed for comfort and warmth, the honeycomb quilted pattern shows a modern design and enhances insulation, while the GRS certified recycled nylon dull cire 380T woven fabric provides durability and weather resistance. Even the trims and accessories, including zippers, are thoughtfully sourced from recycled materials, ensuring every aspect of this bodywarmer contributes to a greener planet. Equipped with practical features, the Epidote bodywarmer has front pockets with zippers and an inside left bottom pocket for secure storage. The inner stormflap with chin guard shields you from the elements, while the elastic drawstring with adjustable cord lock in the bottom hem allows for a customised fit. The elastic binding on the hood ensures added protection against cold winds. The RDS certified recycled feathers provides warmth without compromising on ethical standards. With GRS certification guaranteeing a 100% certified supply chain, this garment truly represents an environmentally conscious choice. Dull cire 380T woven with water repellent and downproof finish of 100% GRS certified recycled nylon, Padding/filling, Down insulation: Responsible Down Standard (RDS) of 90% Recycled down and 10% Recycled feathers, 115 g/m2.
